## FINANCES and MARKETS

[Republican A. P. Leased Wire]

NEW YORK, May 2.—(Wall Street)

stocks were under steady restraint today, the professional element reversing its more optimistic attitude of recent sessions on the theory that prices had been made sufficient recovery in the present uncertain status of foreign affairs. In fact the absence of definite advices from Berlin and Mexico was unfavorably construed.

Trading at no time approached yesterday's activity and breadth, although marines were again in the foreground with the difference, however, that both were freely offered.

As a group Mexicans were among the weakest stocks, Mexican petroleum losing 4 1/2 points, with two for American Smelting. Coppers were 1 to 2 points lower, and other metal issues denoted pressure.

United States steel seemed subject to the same repressive influences that have characterized that stock's course during the past fortnight, though falling only 1 1/4 at most.

Rails moved contrarily. Reading, which again led that division, manifesting heaviness, together with other cohears, while New York Central, Union Pacific and St. Paul were better by fractions to a point.

Total sales 625,000 shares. Sterling rates were unchanged but other foreign remittances were more variable than usual. Bonds were irregular and dull. Total sales par value \$3,040,000.

## CHICAGO GRAIN

Weakness in wheat developed as season was half over, the movement of prices downward had acquired headway and was at no time thereafter given decided check, although definite basis appeared to be wholly lacking for assumptions that the German crisis was growing more acute.

Corn finally gave way with wheat. Oats had no independent action except for continued tightness of the May option.

In the provision pit there was heavy
